Robert Zarco Named Miami Attorney of the Month

MIAMI (July 30, 2014) – Attorney at Law Magazine is pleased to announce that Robert Zarco of **Zarco, Einhorn, Salkowski & Brito, P.A.** was named the Attorney of the Month for Volume 4 Number 4.

Zarco's dedication and entrepreneurship established itself at the age of 7. He owned a landscape-gardening business. He bought out his partner (the owner of the lawn mower) by the time he was 8. He spent his college years working and studying. Today, he works hard to represent the little guys against large franchisors. He looks at himself as the equalizer.

"I provided the franchisee with the key to the courthouse," Zarco says of his practice.
